by KEEGAN JENNINGS GOODMAN

featherproof books is thrilled to announce Keegan Jennings Goodman's debut novel, *Tennessee Highway Death Chant* (May 2016).

In a purgatory at the banks of the Hiwasee River in southeastern Tennessee, two teenagers, the garrulous John Stone and the young Jenny Evenene, barrel through an endless night in a Firebird Trans Am. As Jenny wakes each morning, the same morning, and chronicles the events of her final day, her mind reaches back into the recesses of time, collecting a mythical past that bleeds into the details of her violent end. John drinks beer and philosophizes about the nature of reality and consciousness. The two heroes drive through the night, drinking cold American beer and listening to the country music station, hurling themselves into the darkness beyond the headlights.

“Keegan Jennings Goodman’s *Tennessee Highway Death Chant* melds the limitless, pensive texture of a Tarkovsky film with the logic of Nabokov, prying the lid off of the edges of our continuously repeating, and yet never fully catalyzable, experience of death. A singular work that bends to no trend and bats no eye while treading head on into the fundament.”

author of *Scorch Atlas* and *300,000,000*
